

# The Lumineers - Stubborn Love

Tom: C  
Intro: 2x: F Am F C F Am G C

F Am  
She'll lie and steal and cheat  
F C  
And beg you from her knees;  
F Am G C  
Make you think she means it this time.  
F Am  
She'll tear a hole in you,  
F C  
The one you can't repair,  
F Am G C  
But I still love her I don't really care.

PRÉ-REFRÃO:

F C Am G  
When we were young, oohh we did enough.  
F C Am G  
When it got cold, oooooooo we bundled up.  
F C Am G C  
I can't be told, aaaaaaaah it can't be done.  
F Am  
It's better to feel pain  
F C  
Than nothing at all;  
F Am G C  
The opposite of love's indifference.  
F Am  
So pay attention now,  
F Am G C  
I'm standing on your porch screamin' out,  
F Am G C  
And I won't leave until you come downstairs.

REFRÃO:

F C G Am  
So keep your head up, keep your love. (4x)  
F Am  
I don't blame you dear,

F C  
Running like you did all these years,  
F Am G C  
I would do the same you best believe.  
F Am  
And the highway signs say we're close,  
F Am G C  
But I don't read those things anymore;  
F Am G C  
I never trusted my own eyes.
