

The Lynx - cosmic nature

tom:
Intro: A7 D D7 A D D7 A

While sitting on my bike
You point as things go by
Human nature
Hmm-mmm

It started as a hike
Through leaves of oak and pine
We're in nature

Hmm-mmm

(A7 D D7 A D D7 A)

Can you hold my hand
As we move through the sand
Loving nature
Hmm-mmm
We see the sun go down
As it enters our own town
Of cosmic nature
Hmm-mmm
