

# The Maccabees - Feel To Follow

Tom: **F**

**Dm**  
How was I to ever believe it  
**Em**  
It's never too late  
**Dm**  
Until it's too late and I'll be stranded  
**Em**  
And I'll need something

**Dm**  
Now I can see it, and I can feel it  
**Em**  
I believe it  
**Dm**  
Ever since I can remember  
**Em**  
It's been as nothing

**Dm Am**

**G** **Am**  
Until I almost feel to follow  
**Dm** **Am**  
Feel to follow, feel to follow  
**G** **Bb**  
Feel to follow, feel to follow

**Dm Am G Bb x3**

**G** **Bb**  
Feel to follow, feel to follow

**Am**

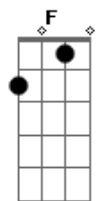

**Dm**  
How will I ever dare to breathe it  
**Em**  
When it's over  
**Dm**  
I've seen it in another  
**Dm**  
Someone stronger  
**Em**  
They couldn't leave it

**Dm Am**

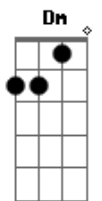

**G** **Am**  
Until I almost feel to follow  
**Dm** **Am**  
Feel to follow, feel to follow  
**G** **Bb**  
Feel to follow, feel to follow

**Dm Am G Bb x3**
