

The Maccabees - Silence

Tom: C

C Dm F (repeat)

Thought I'd find it easier

C Dm F
Under lock, chain and key

C Dm F
Thought I'd find it easier

C Dm F
To just keep you to me

C Dm F
When the wisdom and the patience

C Dm F
Of the world's wasted on me

C Dm F
That's when I shut down my relationships

C Dm F
Watch them floating out to sea

C F
I understand that it never ends

C F
She's waiting round every corner; round every bend

C F
And it hurts to know that I won't know if you knew how the summer went

C F
I understand silence

G F C
I understand that it never ends

G F C
She's waiting round every corner; round every bend

G F C F
When you're scared and lost don't let it all build up

G
Break the silence

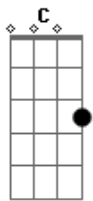

C G F
Someone to call a best friend

C Dm F
Someone to be there when it ends

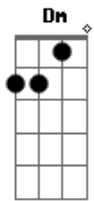

C F G F
When you're scared and lost don't let it all build up

G
Break the silence
