```

x2

Em C G D  
There was a new girl in town  
Em C G D  
She had it all figured out (Had it all figured out)  
Em C G D  
Well I'll state something rash  
Em C G D  
She had the most amazing... smile

Em C G D  
I bet you didn't expect that  
Em C G D  
She made me change my ways (She made me change my ways)  
Em C G D  
With eyes like a sunset, baby  
C D  
And legs that went on for days

G C  
I'm falling in love  
But it's falling apart  
D C G  
I need to find my way back to the start  
C  
When we were in love  
Em  
Things were better than they are  
D C  
Let me back into...

G C  
Into your arms  
Em D C  
Into your arms

Em C G D  
She made her way to the bar  
Em C  
I tried to talk to her  
G D Em  
But she seemed so far (She seemed so far)  
C G D  
Out of my league  
C D  
I had to find a way to get her next to me  
G C

I'm falling in love  
Em  
But it's falling apart  
D C G  
I need to find my way back to the start  
C  
When we were in love  
Em  
Things were better than they are  
D C  
Let me back into...

G C  
Into your arms  
Em D C  
Into your arms  
C G D  
Oh she's slipping away  
C G D  
I always reach when I'm thinking of words to say  
C G  
Oh the things she does  
D E  
Make it seem like love  
C G  
Even it's Just a game (Just a game)  
D G  
And I like the way that we play

G C  
I'm falling in love  
Em  
But it's falling apart  
D C  
I need to find my way back to the start

G C  
I'm falling in love  
Em  
But it's falling apart  
D C G  
I need to find my way back to the start  
C  
When we were in love

Em  
Things were better than they are  
D C  
Let me back into...

G C  
Into your arms  
Em D C  
Into your arms  
G C  
Into your arms  
Em D C  
Into your arms
