

# The Maine - Listen To Your Heart

Tom: Eb

(com acordes na forma de D )  
Capostrate na 1ª casa

We're too young

this is never gonna work,  
that's what they say,  
you're gonna get hurt.

But I know somethin they don't.

I hear your heart, beating right in time.

Right from the start, knew i had to make you mine.

And now I'll never let you go.

Don't they know that love won't lie?

Don't listen to the world, they say we're never gonna make it.

Don't listen to your friends, they would've never let us start.

And don't listen to the voices in your head, listen to your heart.

This promise doesn't have to be tonight?

Just whisper, i can find you in a crowd

I think it's time we ran away.

Your father says im not good enough, and  
your mother she said that this is just a phase.

I think that we should run away!

Don't listen to the world, they say we're never gonna make it.

Don't listen to your friends, they would've never let us start.

And don't listen to the voices in your head, listen to your heart.

( D A Em )

you gotta listen to your heart

( D A Em )

go on and listen to your heart

( D A Em )

come on and listen to your heart

it'll tell the truth

it'll set you free

it'll say that you were meant for me, and this is where we're supposed to be.

( D A Em G A )

Don't listen to the world, they say we're never gonna make it  
but i know we'll make it!

Don't listen to your friends, they would've never let us start.

and dont listen to the voices in your head, love will never ever let us fall

apart!

you gotta listen to your heart

( D A Em )

come on and listen to your heart

( D A Em )

you gotta listen to your heart

( D A Em )

come on and listen to your heart

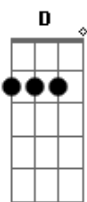

( D A Em )

listen to your heart
