

The Marias - I Don?t Know You

Tom: C

Intro: F7M

There?s a **F7M** weight in my bed

Where you **G7** laid and you said

'I don?t **Am** know you

I don?t **Em** know you'

If we tried **F7M** to retrace

Would it show **G7** on my face

And remind **Am** you

I don?t **Gm** mind you **C7**

And babe, this isn't **F7M** right **G7**

But if you'd rather **Am** dry your eyes

Then honestly I?m **Em** fine

N.C. **Em** With keeping my trust in you **F7M**

It's time to walk in my shoes

It's true **G7**

I've tried, makin' it up

To you **Am**

But if I did all that I had to do **Gm**

Would you, be here in my room **C7**
