Tom: **C**  
Intro: **F**

**F**  
There?s a weight in my bed  
**G7**  
Where you laid and you said  
**Am**  
'I don?t know you  
**Em**  
I don?t know you'

**F**  
If we tried to retrace  
**G7**  
Would it show on my face  
**Am**  
And remind you  
**Gm** **C7**  
I don?t mind you

**F** **G7**  
And babe, this isn't right  
**Am**  
But if you'd rather dry your eyes  
**Em**  
Then honestly I?m fine  
N.C. **Em** **F**  
With keeping my trust in you  
It's time to walk in my shoes  
**G7**

To you

But if I did all that I had to do  
**C7**  
Would you, be here in my room
