

The Marias - Sienna

tom:
G

Am D
Please tell me not to go

G Em
We've been here long before

Am D
I live under your eyelids

G Em
I'll always be yours

Am D
I'll lay on your rooftop

G
In the freezing cold

Em
And I'll watch the sunset

Am
Wearing all your clothes

D
I can feel you with me

G
Like I did before

Em
Like when I sing you a love song

By Norah Jones

Am D
Ooh, Sienna

G Em
Would've been cute

Am D
Ooh, Sienna

G Em
Would've looked just like you

Am D
I came clean

G Em
It feels so good

Am D
But I feel seen

G Em
Only through you

Am D
I'll wait here tomorrow

G
Outside your door

Em
Like I did in December

Am

When you held me close

D
Coming up on your corner

G
Pulling out my hair

Em
Hear the creak on the floorboards

Going up the stairs

Am D
Ooh, Sienna

G Em
Would've been cute

Am D
Ooh, Sienna

G Em
Would've looked just like you

Am
With a temper like you

D
Run around like you

G
Jumping in the pool

Em
Like you

Am D
Sing to all her pets

G
In the way I did

Em
Be sensitive

Like you

Am D
And I smile when I think of

G
All the times we had

Em
On the beach in the winter

Am
When the waves were mad

D
Down by the water, crystal clear

G
See her face in the forest

Em
Then it disappears

Acordes
