

The Marias - Sienna

```
tom:
       Δm
                             D7
Please tell me not to go
We've been here long before
I live under your eyelids
I'll always be yours
I'll lay on your rooftop
In the freezing cold
And I'll watch the sunset
Wearing all your clothes
I can feel you with me
Like I did before
Like when I sang you a love song
By Norah Jones
Am D7
Ooh, Sienna
Would've been cute
Am D7
Ooh, Sienna
Would look just like you
I came clean
And it feels so good
I feel seen, mmm
Only through you
I'll wait here tomorrow
Outside your door
Like I did in December
```

When you held me close Coming up on your corner Pulling out my hair Hear the creak in the floorboards Going up the stairs Am D7 Ooh, Sienna Would've been cute Am D7 Ooh, Sienna Would look just like you With a temper like you Run around like you Jumping in the pool Like you Sing to all her pets In the way I did Be sensitive Like you And I smile when I think of All the times we had On the beach in the winter When the waves were mad Down by the water Crystal clear See her face in the forest Then it disappears
