

The Marias - Sienna

tom:
G

Am D7
Please tell me not to go
G C
We've been here long before
Am D7
I live under your eyelids
G E7
I'll always be yours

Am
I'll lay on your rooftop
D7
In the freezing cold
G
And I'll watch the sunset
C
Wearing all your clothes
Am
I can feel you with me
D7
Like I did before
G
Like when I sang you a love song
E7
By Norah Jones

Am D7
Ooh, Sienna
G C
Would've been cute
Am D7
Ooh, Sienna
G E7
Would look just like you

Am
I came clean
D7
And it feels so good
G
I feel seen, mmm
C
Only through you

Am
I'll wait here tomorrow
D7
Outside your door
G
Like I did in December

C
When you held me close
Am
Coming up on your corner
D7
Pulling out my hair
G
Hear the creak in the floorboards
E7
Going up the stairs

Am D7
Ooh, Sienna
G C
Would've been cute
Am D7
Ooh, Sienna
G E7
Would look just like you

Am
With a temper like you
D7
Run around like you
G
Jumping in the pool
C
Like you
Am
Sing to all her pets
D7
In the way I did
G
Be sensitive
E7
Like you

Am
And I smile when I think of
D7
All the times we had
G
On the beach in the winter
C
When the waves were mad
Am
Down by the water
D7
Crystal clear
G
See her face in the forest
E7
Then it disappears
