The blurry portraits in the halls of former lover's gone

Dancing in your room

Innocent and true

Elvis tattoo on your shoulder

We'll know better when we're older

Some wounds will always sting

All of this was planned when the world was started

The red blood hearts

The final word was never said

I'm tossing in my bed

But everything is clear in the rear view mirror

When nothing is left

D A Bm Gbm Bm
The lights of evening round us shine pink and silver skies
