

The Moffs - Another Day In The Sun

Tom: **G**

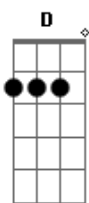

Turn your head, 'cross the sea **G** **D**
 Waves of sorrow, wait for me **C** **Em**
 And with my eyes, I see your face **G** **D**
 Drifting slowly, in this space **C** **Em**
 And now it seems, there's no time to fill **G** **D**

C **Em**
 All these hours standing still
G **D**
 And where I am, it might not be clear
C **Em**
 At least I know, I wont disappear
C **G**
 Another day in the sun
C **G**
 Another day in the sun
C **G**
 Another day in the sun
C **Em**
 Another day in the sun
