

The Motive - Different Kind Of Love

tom: G

What will you find D

When you try D7M

To make sense of this world as it passes you?by? Gm Gbm7

And?everyday I look?into your eyes Bm7 Em7

And I don't mind D D7M

If?you cry G7M

Tears are the flame that keep you alive Gm Gbm7

No more?looking?for?a match to?light Bm7 Em7

But I really?need to ask you E7 G

Would you run G7M

A thousand miles? D D7M

Would you come G7M

From as far as the eye can see, for me? D7M

When the lover inside you tells you that you've had enough G7M Bm7

Baby, you need a different kind of love A E7 G7M

Now we're alive D7M

And we're flying G7M

Through a world we made in the blink of an eye Gm Gbm7

Wrapped together in our paradise Bm7 Em7

D

But it's too far

And I know too much G7M

For the time that I've spent and the years that have passed Gm Gbm7

I can't help but fall into your arms Bm7 Em7

But I really need to ask you G7M D

Would you run G7M

A thousand miles? D D7M

Would you come G7M

From as far as the eye can see, for me? D D7M

When the lover inside you tells you that you've had enough G7M Bm7

Baby, you need a different kind of love A E G7M

Ohhh, ohhhh, ohhhh you need a different kind of love E7 G7M D E G7M

Ohhhh, ohhhh, ohhhh you need a different kind of love D Gb E E7 G7M D E7 G7M

But I really need to ask you E7 G7M

Would you run D

A thousand miles? G7M

Would you come D7M

From as far as the eye can see, for me? G7M A Bm7

When the lover inside you tells you that you've had enough A E G7M

Oh baby, you need a different kind of love A E G

Oh baby, you need a different kind of love A E G
