

The Motive - Different Kind Of Love

tom: G

What will you find D

When you try G D Gm Gbm

To make sense of this world as it passes you?by?

And?everyday I look?into your eyes Bm Em

And I don't mind D D

If?you cry G Gm Gbm

Tears are the flame that keep you alive Bm Em

No more?looking?for?a match to?light E7 G

But I really?need to ask you

Would you run G D D

A thousand miles? G

Would you come D

From as far as the eye can see, for me? G Bm

When the lover inside you tells you that you've had enough A E7 G

Baby, you need a different kind of love

Now we're alive D

And we're flying G Gm Gbm

Through a world we made in the blink of an eye Bm Em

Wrapped together in our paradise D

But it's too far

And I know too much G Gbm

For the time that I've spent and the years that have passed Bm Em

I can't help but fall into your arms G D

But I really need to ask you

Would you run G D D

A thousand miles? G

Would you come D D

From as far as the eye can see, for me? G Bm

When the lover inside you tells you that you've had enough A E G

Baby, you need a different kind of love

Ohhh, ohhhh, ohhhhh you need a different kind of love E7 G D E G

Ohhhhh, ohhhhh, ohhhhhh you need a different kind of love D Gb E E7 G D E7 G

But I really need to ask you E7 G

Would you run D

A thousand miles? G

Would you come D

From as far as the eye can see, for me? G A Bm

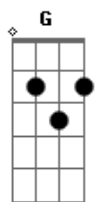

When the lover inside you tells you that you've had enough A E G

Oh baby, you need a different kind of love A E G

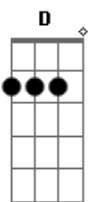

Oh baby, you need a different kind of love
