

# The Naked And Famous - We Are Leaving

Tom: **Db**

(com acordes na forma de **C** )  
Capotraste na 1ª casa  
Intro: **Dm**

**Dm**  
Cover up your shaky hands  
**Am**  
I hear that you're doing well  
**C**  
Back again for long this time?  
**G**  
Looks like they put you all through hell

**Dm**  
But you seem to be coping fine  
**Am**  
Trust me the stress will pass with time  
**C**  
And you'll be back around again  
**G**  
Yes you'll be back again

**F**  
I don't mean to make you curse  
**C**  
But it could have been much worse  
**G**  
And as far as I can tell  
**Dm** **C**  
It seems that you're doing well

Chorus:

**Bb** **Dm** **C**  
Come quick - things worth seeing  
**Bb** **Dm** **C**  
Life-sick - we are leaving  
**Bb** **Dm** **C**

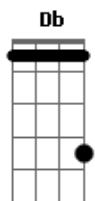

Time-framed - changing season  
**Bb** **Dm** **C**  
Same-same - we are leaving

**Dm**  
**Dm**  
And i bet you constantly ask  
**Am**  
How did we get here so fast  
**C**  
Cause I have been there once before  
**G**  
And all the dates they made me raw  
**Dm**  
Wait and weight, it's all the same  
**Am**  
Sinking underneath the waves  
**C**  
Hell it couldn't be much worse  
**G**  
Than diving in head first

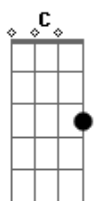

**F**  
And I don't mean to make you curse  
**C**  
But it could have been much worse  
**G**  
And as far as I can tell  
**Dm** **C**  
It seems that you're doing well

**Bb** **Dm** **C**  
Come quick - things worth seeing  
**Bb** **Dm** **C**  
Life-sick - we are leaving  
**Bb** **Dm** **C**  
Time-framed - changing season  
**Bb** **Dm** **C**  
Same-same - we are leaving
