

# The National - The System Only Dreams In Total Darkness

tom:  
 Ab (forma dos acordes no tom de G)  
 Capotraste na 1ª casa

[Primeira Parte]

Maybe I listen more than you think  
 and I can tell that somebody sold you  
 We said we've never let anyone in  
 We said we'd only die of lonely secrets

[Refrão]

The system only dreams in total darkness  
 Why are you hiding from me?  
 We're in a different kind of thing now  
 All night you're talking to God

( Em )

[Segunda Parte]

I thought that this would all work out after a while  
 Now you're saying that I'm asking for too much attention  
 Also no other faith is light enough for this place  
 We said we'd only die of lonely secrets

[Refrão]

The system only dreams in total darkness  
 Why are you hiding from me?  
 We're in a different kind of thing now  
 All night you're talking to God

( Em )

[Ponte]

I cannot explain it  
 Any other, any other way  
 I cannot explain it  
 Any other, any other way

( Em )
