

The Neighbourhood - Afraid

Tom: D

(com acordes na forma de Capostrate na 2ª casa C)

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

Make that money, fake that bunny, ache my tummy

On the fence, all the time

Paint young honey, face so sunny, ain't that funny

All my friends always lie to me

I know they're thinking

You're too mean, I don't like you, fuck you anyway

You make me wanna scream at the top of my lungs

It hurts but I won't fight you, you suck anyway

You make me wanna die, right when I

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might end up being me

Keep on dreaming, don't stop giving, fight those demons

Sell your soul, not your whole self

If they see you when you're sleeping, make them leave it

And I can't even see if it's all there anymore so

You're too mean, I don't like you, fuck you anyway

You make me wanna scream at the top of my lungs

It hurts but I won't fight you, you suck anyway

You make me wanna die, right when I

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might end up being me

Being me and only me

Feeling scared to breathe

If you leave me then I'll be afraid of everything

That makes me anxious, gives me patience, calms me down

Let me face this, let me sleep, and when I wake up

G~
Let me breathe

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might take my place

When I wake up I'm afraid, somebody else might end up being me
