The Neighbourhood - Daddy Issues

Tom: G

    Intro: Am Em G

Am   Em   G
Take you like a drug
Am   Em   G
Taste you on my tongue

C   Am
Ask me what I'm thinking about
                            Em
I'll tell you that I'm thinking about
                   G
Whatever your thinking about
C   Am
Ask me something that I won't forget
                       Em
But you won't have to tell me again
                     G
It's crazy what you do for friend

          Am
Go ahead and cry little girl
          Em
Nobody does it like you do
                  G
I know how much it matters to you

I know that you got daddy issues
                  Am
And if you were mine little girl
          Em
I'd do whatever I could do
                G
I'd run away and hide with you
                                    Em
I love that you got daddy issues, and I do too

Em   G
I try to write your name in the rain

But the rain never came
                    Am
So I made with the sun
          Em   G
The shade, always comes at the worst time

C   Am
Ask me what I'm thinking about
                            Em
I'll tell you that I'm thinking about
                   G
Whatever your thinking about
C   Am
Ask me something that I won't forget
                       Em
But you won't have to tell me again
                     G
It's crazy what you do for friend

          Am
Go ahead and cry little girl
          Em
Nobody does it like you do
                  G
I know how much it matters to you

I know that you got daddy issues
                  Am
And if you were mine little girl
          Em
I'd do whatever I could do
                G
I'd run away and hide with you
                                    Em
I love that you got daddy issues, and I do too

          Am
I keep on trying to let you go
                 G
Dying let you know
      D   G
How i'm getting on
                            Am
I wasn't sad when you left at first
                 Em   G
But now that you're dead it hurts
          D
This time i gotta know
              G
Where did my daddy go?
          Am   Em
I'm not entirely here
          D   G
Half of me has disappeared

          Em   Am
Go ahead and cry little boy
          Em
You know that your daddy did too
                G
You know what your mama went through

You know you gotta let it out soon

Just let it out soon

          Am
Go ahead and cry little girl
          Em
Nobody does it like you do
                  G
I know how much it matters to you

I know that you got daddy issues
                  Am
And if you were mine little girl
          Em
I'd do whatever I could do
                G
I'd run away and hide with you
                                    Em
I love that you got daddy issues, and I do too
