

The Neighbourhood - Daddy Issues Tiktok Remix

	[Refrão]
tom: Bb (forma dos acordes no tom de G)	Am Go ahead and cry little girl
Capostraste na 3ª casa	Em Nobody does it like you do
Am Em G	G I know how much it matters to you
Am Em G	G I know that you got daddy issues
[Primeira Parte]	Am
Am Em G Take you like a drug	And if you were mine little girl Em
Am Em G I taste you on my tongue	I'd do whatever I could do
[Pre-chorus]	I'd run away and hide with you
C Am You ask me what I'm thinking about	I know that you got daddy issues, and I do too
Em I tell you that I'm thinking about	[Ponte]
G Whatever you're thinking about	I keep on trying to let you go
C Am	I'm dying to let you know
Tell me something that I'll forget Em	Em G How I'm getting on
And you might have to tell me again	C I didn't cry when you left at first
It's crazy what you'll do for a friend	Am But now that you're dead it hurts
[Refrão]	Em This time I gotta know
Go ahead and cry little girl	G Where did my daddy go?
Nobody does it like you do	C Am
I know how much it matters to you	I am not entirely here Em G
I know that you got daddy issues	Half of me has disappeared
And if you were mine little girl	[Terceira Parte] Am
I'd do whatever I could do	Go ahead and cry little boy Em
G I'd run away and hide with you	You know what your daddy did too G
G I know that you got daddy issues, and I do too	You know what your mama went through G
[Segunda Parte]	You gotta let it out soon, just let it out
Am Daddy stuck around but he wasn't present	[Refrão]
Em Cheated on your mom but she never left him	Go ahead and cry, little girl
G First I didn't get it, now I understand	Nobody does it like you do
He broke her heart, left money in her hands	I know how much it matters to you
Am So everything got paid for	I know that you got daddy issues
Em	And if you were my little girl
She made sure you and your brother had way more G There are a sure had assured as any (Yeah)	I'd do whatever I could do
Than she ever had growing up (Yeah)	I?d run away and hide with you
But when you told me the whole story, I felt like throwing up	I know that you got daddy issues (And I do too)
I could see it on your face, it was rough Em	Am And if you were my little girl
Left a bad taste on your tongue G	Em I?d do whatever I could do
And she didn't even take any drugs Am	G I'd run away and hide with you
She would rain all day, couldn't wait for her sun to shine Em	$$\sf G$$ I know that you got daddy issues (And I do too)
And you made it shine ${\color{red}G}$	[Final] Am Em G
There when she cried, you saved her life Acordes	-
