

The Neighbourhood - Fallen Star

tom:
Bbm (forma dos acordes no tom de Am)
Capostrate na 1ª casa

Further apart
The closer that we are
I'll keep you far away
From me like a star

Hard not to fall for you
I gave you all my heart
Further apart
The closer, the closer, the closer that we are

(Em Dm G G7)
(Am Em Dm G G7)

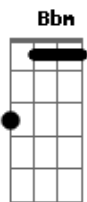

Tryna find the right time to tell
You what you might not like to hear
I can feel the zeitgeist, stuck
Inside the pipeline for some years
I wanna be your lifeline
But everybody can't be a millionaire
I'll be in the night sky, shining like a light on always there

You're in my DNA, I can't keep away
No matter how hard I try
You're running through my veins, something I can't change
That's the same reason why

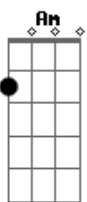

We're
Further apart
The closer that we are
I'll keep you far away
From me like a star
Hard not to fall for you

Acordes

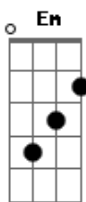

I gave you all my heart
Further apart
The closer, the closer, the closer that we are
20/20 Hindsight, looking from a distance, now it's clear
Went and found the limelight
Wasn't in the vision to disappear, no
Now I'm in a new place
I can feel the room change when you're here
Had to run and do things
Never meant to leave you in the rear
You're always in my brain, and I take the blame
No matter who's wrong or right
I'm on a one-way train headed far away
But you're still on my mind
Further apart
The closer that we are
I'll keep you far away
From me like a star
Hard not to fall for you
I gave you all my heart
Further apart
The closer, the closer, the closer that we are
[Final]
The closer that we are
The closer that we are
