

The Neighbourhood - Greetings From Califournia

Tom: C

Em G Am
Ooh, I know once you come to California
C
You will never look back
Em G Am
Ooh, just a little bit can make you wonder
C
You got it in

Em
Hands up it's a stick up
Em
Nobody's leaving this room for a minute
Em Am
Everyones breathing these fumes
Am
That are in it
Am
Sick of the people who make the decisions

Em
Put your hands up it's a stick up
Em
Hopefully God is still down to forgive us
Em Am
Nobody's breathing
Am
Who let the evil in?

Em Dm
What's in the water?
C
Are you bothered?
G Dm
What's the problem here?

Em G Am
Ooh, I know once you come to California
C
You will never look back
Em G Am
Ooh, just a little bit can make you wonder
C
You got it in

C
I can feel it go down
C Em
I will feel it go down all the way
Em
All the way

Am
Give it to me slow now
Am C
Give it to me slow then wash away
C Dm
It comes and comes
Em G Am
Ooh, I know once you come to California
C
You will never look back
Em G Am
Ooh, just a little bit can make you wonder

C
Handcuffed and I thought of you
Am
I made love and I thought of you
Em
My daddy died, I just thought of you
G
My sister cried and my mama too
C
I got a place and I thought of you
Am
I tried to decorate and I thought of you
Em
I'm seeing red but I'm singing blue
G
I never knew that black and white would fit you too

C
Anybody, somebody, please
Am
I'm begging
Am
I'm even on my knees
Em
I've got a dozen insecurities
G
But I don't think you should be worried for me
Em Dm
No I don't think you should be worried for me

Em G Am
Ooh, I know once you come to California
C
You will never look back
Em G Am
Ooh, just a little bit can make you wonder
C
You got it in
