The Neighbourhood - Lovebomb

```
                    tom:
                  Bbm (forma dos acordes no tom de Gm )
Capostraste na 3ª casa
Intro: C7M C7M G Am
X3
 C7M   C7M   Em   F7M

You, you, ooh-ooh-ooh

C7M                 G   Am
Chlorine and pheromones
C7M                    Em F7M
Fairy dust and moonstone

C7M
When we're all alone
G  Am            C7M
 Holding more than hands
                    Em
Winded, collarbones
       F7M
Up in smoke, again

C7M                 Am          C7M
I know it's crazy, I know that I'm a fool
           Em          F7M        C7M
I know it's way too soon to tell you I love you

          G   Am
You, ooh-ooh-ooh
C7M       Em  F7M
You, you, ooh-ooh-ooh

C7M              G   Am
Raised my spirit up (up)
C7M                    Em F7M
Never down when you're around (no)
```
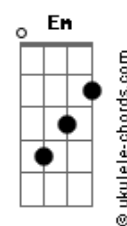

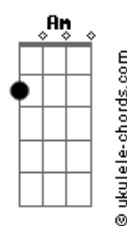

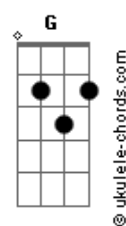

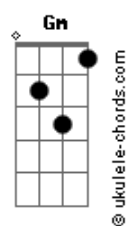

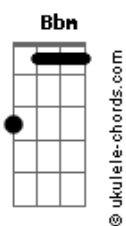

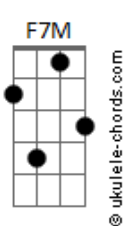

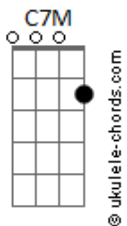

```
C7M
When we're all alone
    G   Am            C7M
 We're holding more than hands
                      Em
Hollowed, coddled
           F7M
Swallowed in a trance

C7M         G       Am           C7M
I know it's crazy, I know that I'm a fool
         Em          F7M        C7M
I know it's way too soon to tell you I love you

C7M
You just gotta say a few magic words
G                                  Am
Baby, you're the one that's gonna break the curse
C7M
What's it really matter who says it first?
Em                      F7M
Say it to me, babe, I wanna break the curse

C7M
You just gotta say a few magic words
G                                  Am
Baby, you're the one that's gonna break the curse
C7M
What's it really matter who says it first?
Em                      F7M
Say it to me, babe, I wanna break the curse
C7M
You just gotta say a few magic words
G                                  Am
Baby, you're the one that's gonna break the curse
C7M
What's it really matter who says it first?
Em                      F7M
Say it to me, babe, I wanna break the curse
