Verso 1:

**Em**  
 I wanna be honest  
 I wanna be bad  
 I wanna destroy you  
 I want to move fast  
**C**  
 I want the attention  
 I want all the cash  
**A**  
 I want all the ass  
 Is it too much to ask?

**Em**  
 I wanna be faithful  
**Em**  
 I wanna be raw  
 I wanna be ignorant  
 And I wanna know all  
**C**  
 I wanna die someday  
 I wanna live long  
**A**  
 I want what I ask for  
 And I get what I want

Refrão:

**Em**  
 I'm thinking we should ride  
 To a place that we don't know  
 To a place where no one has seen us before  
**C**  
 I'm thinking, you and I  
 Better just go with the flow  
**A**  
 Last thing that we should do is go slow  
**Em**  
 I'm thinking we should ride  
 To a place that we don't know  
 To a place where no one has seen us before  
**Em**  
 I'm thinking, you and I  
 We'd better just go with the flow  
**A**  
 Last thing we should do is go slow

( **Em C A** )

Verso 2:

**Em**  
 I think that I'm human

I think about God  
 And I think of the chances  
 I think that I'm wrong

**C**  
 I think to be thoughtful  
 I know that I'm not

**A**  
 You think I'm a fake  
 And I know you're a fraud

**Em**  
 I fuck 'cause I need to  
 I fuck when I want  
 I'll fuck you with love  
 Even though it is not

**C**  
 I'll fucking digest you  
 One kiss at a time

**A**  
 You wish I was yours  
 And I hope that you're mine
