

The Neighbourhood - Private

tom:
 You radiate in shades of grey
 Disintegrate till it fades away
 Not gonna change your mind when it's made
 Bent out of shape, age
 Shh, keepin' it private
 Uh-huh
 Shh, keepin' it private
 Uh-huh
 Shh, keepin' it private
 Uh-huh
 Shh, keepin' it private
 Uh-huh
 Shh, keepin' it private
 Uh-huh
 Shh
 You've got a way contagious in a room (room)
 Hallucinate when I'm dancin' with you (ooh)
 All that it takes is a taste
 And we'll know what we should do
 To soon to say, better behave

Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 Shh, keepin' it private (ah-ah, ah-ah, ah-ah-ah)
 Uh-huh (ah-ah, ah-ah-ah)
 (If we keep it quiet) Ah-ah, ah-ah, ah-ah-ah, ah-ah
 Why does it feel like we're hiding? (Ah-ah, ah-ah-ah)
 (If we keep it quiet) Ah-ah, ah-ah, ah-ah-ah, ah-ah
 Why does it feel like we're hiding? (Ah-ah, ah-ah-ah)
 (If we keep it quiet) Ah-ah, ah-ah, ah-ah-ah, ah-ah
 Why does it feel like we're hiding? (Ah-ah, ah-ah-ah)
 (If we keep it quiet) Ah-ah, ah-ah, ah-ah-ah, ah-ah
 Why does it feel like we're hiding? (Ah-ah, ah-ah-ah)
 (If we keep it quiet, if we keep it quiet, if we keep it quiet)
