

The Neighbourhood - Reflections

Tom: G

[Verso 1]

Bm **G**
Where have you been?
Em
Do you know when you're coming back?
Bm **G**
'Cause since you've been gone
Em **Gb**
I've got along but I've been sad

[Pré-Refrão]

Bm
I tried to put it out for you to get
G
Could've, should've but you never did
Em
Wish you wanted it a little bit
Em
More but it's a chore for you to give

[Refrão]

Bm **G**
Where have you been?

Do you know if you're coming back?

[Refrão]

Bm **A**
We were too close to the stars
G **Em** **A**
I never knew somebody like you, somebody
Bm **A**
Falling just as hard
G **Em** **A**
I'd rather lose somebody than use somebody
Bm **A** **G** **Em** **A**
Maybe it's a blessing in disguise (I see myself in you)
Bm **A** **G** **Em** **A**
I see my reflection in your eyes

[Verso 2]

Bm **G**
I know you're sick
Em
Hoping you fix whatever's broken
Bm **G**
Ignorant bliss
Em **Gb**
And a few sips might be the potion
