

The Neighbourhood - Reflections

Tom: G

[Verso 1]

Bm G
Where have you been?
Em
Do you know when you're coming back?
Bm G
'Cause since you've been gone
Em Gb
I've got along but I've been sad

[Pré-Refrão]

I tried to put it out for you to get

Could've, should've but you never did
Em
Wish you wanted it a little bit
Em
More but it's a chore for you to give
