I'd like to be proud, but somehow I'm ashamed

Sweet little baby in a world full of pain

I gotta be honest, I don't know if I could take it

Everybody's talking, but what's anybody saying?

Mama said if I really want to, then I can change, yeah yeah

If you really listen, then this is to you **Eb**

Mama, there is only so much I can do **Gm**

Except for you to witness, for to worship me too

**Bb** **Cm**  
I'm using white lighters to see

what's in front of me **Gm**

When I can't breathe, I won't ask you to stop **Gm**

When I can't breathe, don't call for a cop

I was naive and hopeful and lost **Cm**

Now I'm aware and driving my thoughts
