

The Neighbourhood - Sting

Tom: C

I tried to be someone^{Am}
 I lied to be someone else... for you^{C Dm G}
 If I had done something a little bit differently^{Am C}
 We would've moved in a better direction than this, baby^{Dm G}

Interlude: Am G Dm G

If you were human^{Am}
 If you were who I assumed you were^C
 You wouldn't have done this, mmh^{Dm G}
 I thought I did something^{Am}
 But she would do anything to bring me down^{C Dm}
 And she brought me down^G
 Interlude: Am G Dm G x4

You say that you love me^{Am}
 But you act like you don't^G
 You used to adore me^G
 Laughed at all of my jokes^{Dm}
 Don't take this the wrong way^G
 You put me in harm's way^{Am}

When we had our first kiss it was your favorite thing^G
 And you weren't lying when you said it would sting^{Dm}
 Don't take this the wrong way^G
 You put me in harm's way^{Am}
 Imagine our children^G
 How fucked would they be?
 Mommy's a psycho^G
 Daddy lives in a dream^{Dm G}
 Don't take this the wrong way^G
 I told you I'm sorry^{Am}
 Couldn't thank you enough^G
 I thought that I loved you but^G
 We weren't in love^{Dm}
 We weren't in love^{Am}
 You were my dream^G
 The way we would fuck^{Dm}
 You liked to think^G
 We would push through the bad^{Dm}
 Ignoring the problems just to hold what we had^{Dm}
 Don't take this the wrong way^{Dm G}
 Don't take this the wrong way^{Dm G}
