All I am is a man **C** **Am**
I want the world in my hands **Em** **G**
I hate the beach **C**
But I stand **Am**
In California with my toes in the sand **Em** **G**

Use the sleeves of my sweater **C**
Let's have an adventure **Am**
Head in the clouds but my gravity's centered **Em** **G**
Touch my neck and I'll touch yours **C** **Am**
You in those little high waisted shorts, oh **Em** **G**

C **Am**
She knows what I think about **Em**
And what I think about **G**
One love, two mouths **C**
One love, one house **Am**
No shirt, no blouse

Just us, you find out **Em** **G**
Nothing that wouldn't wanna tell you about, no

C **Am**
'Cause it's too cold, woah **Em** **G**
For you here and now **C** **Am**
So let me hold ,woah **Em** **G**
Both your hands in the holes of my sweater **C** **Am**

And if I may just take your breath away **Am**
I don't mind if there's not much to say **Em**
Sometimes the silence guides our minds **G**
So move to a place so far away

C
The goosebumps start to race **Am**

The minute that my left hand meets your waist **Em**
And then I watch your face **G**
Put my finger on your tongue
'Cause you love the taste, yeah

C
These hearts adore **Am**
Everyone the other beats' heart is for **Em**
Inside this place is warm **G**
Outside it starts to pour **C** **Am**
Coming down **Em**
One love, two mouths **G**
One love, one house
No shirt, no blouse **C** **Am**
Just us, you find out **Em** **G**
Nothing that wouldn't wanna tell you about, no, no ,no

C **Am**
'Cause it's too cold, woah **Em** **G**
For you here and now **C** **Am**
So let me hold, woah **Em** **G**
Both your hands in the holes of my sweater **C** **Am** **Em** **G**
Whoa, whoa, whoa, whoa

C **Am**
'Cause it's too cold, woah **Em** **G**
For you here and now **C** **Am**
So let me hold, woah **Em** **G**
Both your hands in the holes of my sweater **C** **Am**
