

# The Neighbourhood - WDWFM

Tom: **C**

Intro:  
(strum once)

**F E Am Dm C**

[Verse 1:]

**F E Am Dm C** (for the entire song)

Two nights ago, she got that look in her eyes  
Kaleidoscope, but that's only half the time  
Three days before she told me that I don't even try  
She's crazy, though, I guess there's something wrong inside

Bass:

[Hook:]

Maybe you're right, maybe this is all that I can be  
But what if it's you, and it wasn't me?

What do you want from me?  
What do you want from me?

[Verse 2:]

Four weeks ahead, I thought that I should think some more  
I'm fucked in the head, and my mind is turning into a whore  
Five months go by, and I thought about letting her go  
She's crazy, though, and I guess she took control  
Oh no, oh no, oh no, oh no

[Hook]

[Verse 3:]

Maybe she's right, maybe I'm wrong  
Maybe we'll fight 'til it move us along  
I can't deny writing this song  
Hoping she'll find she's not alone

[Hook]

## Acordes
