

## The Oh Hello's - Like The Dawn

```
You were the brightest shade of sun when I saw you
   (forma dos acordes no tom de A )
                                                                                                                                                                                 ( Dm F Am G Dm F Am G ) ( Dm F Am G )
Capostraste na 3ª casa
Intro: Dm F C C C
                                                                                                                                                                                         Am Em7
                                   Dm
Well, I was sleeping in the garden when I saw you \mbox{ first } \mbox{ Dm } \mbox{ F } \mbox{ C 
                                                                                                                                                                                 At last
                                                                                                                                                                                                                     Am
He'd put me deep, deep under so that he could work
                                                                                                                                                                                 And you will surely be the death of me
                                                                                                                                                                                                                                     \mathsf{c}
                                   Dm
                                                                                                                                                                                   But how could I have known?
And like the dawn you broke the dark and my whole earth shook
                                                                                                                                                                                 I was sleeping in the garden when I saw you
   Dm C F
                                                                                                                                                                                  I was sleeping in the garden
At last, at last
                                                                                                                                                                                   (0h, oh, oh, ohh....)
                      G
Bones of my bones and flesh of my flesh, at last
                                                                                                                                                                                  And like the dawn you broke the dark
                                                                                                                                                                                    (Oh, oh, oh, ohh....)
F
                                                                                                                                                                                   I was sleeping in the garden
                                                                                                                                                                                    (0h, oh, oh, ohh....)
You were the brightest shade of sun I had ever seen
                                                                                                                                                                                   Bones of my bones
                                    Dm
Your skin was gilded with the gold of the richest kings
                                                                                                                                                                                   (0h, oh, oh, ohh....)
                                  Dm
And like the dawn you woke the world inside of me
                                                                                                                                                                                 [Final] Am F7M C G C
