

The Orion Experience - The Cult Of Dionysus

tom:
 Yesterday I heard you say
 Your lust for life has gone away
 It got me thinking, I think I feel a similar way
 And that's sad
 (that's sad)
 That's sad

So let's make a decision, start a new religion
 Yeah, we're gonna build a temple to our love
 Orgiastic dances, nymphs in trances
 Yeah, we'll be the envy of the gods above

I'm feeling devious
 You're looking glamorous
 Let's get mischievous
 And polyamorous
 Wine and women and wonderful vices
 Welcome to the cult of dionysus
 (Dbm E A Gb)

We could take a holiday in the month of may
 Run free and play in fields of flowers
 Pass the hours making love is how we'll pray
 Or start a secret society for the wild and free
 Our ideology is "you can do what you want"
 Too much is never enough
 We are the light, we are the life
 We are the envy of the gods above

I'm feeling devious
 You're looking glamorous
 Let's get mischievous
 And polyamorous
 Wine and women and wonderful vices
 Welcome to the cult of dionysus

Acordes

Run, run, run away
 Just take my hand and we'll abandon this world
 We'll wash those tears away
 You're young and beautiful, and I'll love you always
 We got no time for pain
 When it's just you and me in ecstasy, hey

What is with the world today
 The wicked games that people play
 The wars, the greed, they waste away
 Yeah, it's sad
 (it's sad)
 It's sad

So let's spread the word across the land
 Yeah, one by one, baby, hand in hand
 We got a mission of hope
 We got message of love
 Soon everybody everywhere will be
 The envy of the gods above

I'm feeling devious
 You're looking glamorous
 Let's get mischievous
 And polyamorous
 Wine and women and wonderful vices
 Welcome to the cult of dionysus
