With my hands oh I worked the night and day

And I watched as they slowly died away
When you needed me there

What do I see now?
With my sweet love gone with my sweet love gone

You grew old so much faster than I could
And I knew you would go
Laid to rest on a Sunday afternoon
And you left me alone

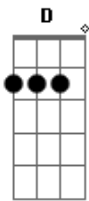

Final Chorus

How do I live?
What do I give now?
With me sweet love gone with my sweet love gone
