

The Paper Kites - Woodland

Tom: C

Run, run, don't trail behind keep moving
 The beasts wont stop till we're dead
 All the scrapes on our knees
 Will tell you where we've been, where we have bled
 Oh we play (0ohs)
 in autumn days (0ohs)

Won't lay down our heads till the day is won,
 won't stop running till we reach the sun (0ohs)
 Chasing all the things that are keeping us young,
 we won't stop running till we reach the sun (0ohs)

C C

Oh we're building a home
 With the mud and the stones and the branches we bind
 We're all just searching for something
 Bigger than we're all able to find

Oh we play (0ohs)
 (0ohs, fade out)

in autumn days (0ohs)

Won't lay down our heads till the day is won,
 won't stop running till we reach the sun (0ohs)
 Chasing all the things that are keeping us young,
 we won't stop running till we reach the sun (0ohs)
 (0ohs, fade out)

We're all creatures of the sun
 We're all children of the day
 We're just chasing what we can, ever get ever get
