[Primeira Parte]

A
Take my hand and take my heart
Gbm **D**
I shiver when you're here
A **Gbm** **D**
Deliver me from everything that drives me, oh my dear

[Refrão]

A
Accelerate your pain
B7
White knuckles on the wheel again
D **A**
Shut your mouth, let's move on out of here
A
Just try and keep it light
B7
Or someone may get hurt tonight
D **A**
Don't talk that way, don't talk that way, don't talk that way

[Segunda Parte]

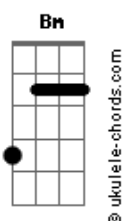

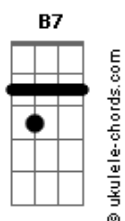

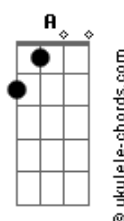

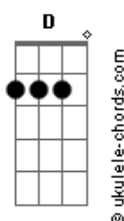

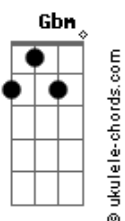

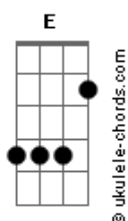

A
Hold it there a second
Gbm **D**
Let me dump this stupid pride
A
I'm ready for you sweet-heart
Gbm **D**
Now my mind is open wide

[Refrão 2]

A
Shut up and make it count
B7
Your concentration paramount
D **A**
Remember what was meant to be this year
A
The past is a disaster and
B7
The future's coming faster now
D **A**
What do you say we go and get a beer?
