Ok, i actually have to explain the Chorus its simple but it will be better if i explain it to you!

I'll tab it out then i will explain it.

Chorus;

~~~~~

Ok, im going to explain the Chorus to you now.

PART 1:

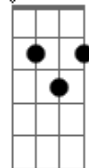

~~~~~

PART 2:

There is an echoing clicking noise and thats just whats-his-faces guitar muting the high **E** string. Now heres the hard part i ned to explain:
