

The Police - Walking On The Moon

Tom: **Ab**

[Play and hold a **Dm7** for each line of the bass...dum-da-dum,

you know what I mean :-)]

[Repeat this sequence four times for each verse:]

Dm7 **Bb** **C**

(Giant steps are what you take walking on the moon....)

[Bridge:]

Bb	F	C	Gm
Some	may say	I'm wishing my days away	
Bb	F	C	Gm
	no way	and if it's the price I pay	
Bb	F	C	Gm
	some say	tomorrow's another day	
Bb	F	C	
	you stay	I may as well play	

After the bridge, then play and hold a **Dm7** for two more lines

of the 'dum-da-dum' bass sequence, just as in the intro.

Then play the same **Dm7**, **Bb** and **C** sequence to repeat and fade.

..and that's all there is to it!

LYRICS:

(First verse:)

Giant steps are what you take walking on the moon
I hope my legs don't break walking on the moon
We could walk forever walking on the moon
We could be together walking on, walking on the moon

(Second verse:)

Walking back from your house walking on the moon
Walking back from your house walking on the moon
Feet they hardly touch the ground walking on the moon
My feet don't hardly make no sound walking on, walking on the moon

(Bridge:)

Some may say I'm wishing my days away
No way and if it's the price I pay
Some say tomorrow's another day
You stay I may as well play

(Repeat first verse)

(Repeat bridge)

(Ad-lib:)

Keep it up

[repeat and fade]
