

The Police - Wrapped Around Your

Tom: C

Glockenspiel intro:

Keyboard:

[No other strings needed]

Am Em Am G
You consider me the young apprentice
Am Em Am G
Caught between the Scylla and Charybdis
Am Em Am G
Hypnotized by you if I should linger
Am Em Am G
Staring at the ring around your finger

I have only come here seeking knowledge
Things they would not teach me of in college
I can see the destiny you sold
Turned into a shining band of gold

G F
I'll be wrapped around your finger
G F
I'll be wrapped around your finger

Mephistopheles is not your name
But I know what you're up to just the same
I will listen hard to your tuition
You will see it come to it's fruition

And I'll be wrapped around your finger

I'll be wrapped around your finger

Am Em F G
Devil and the deep blue sea behind me
Am Em F G
Vanish in the air, you'll never find me
Am Em F G
I will turn your flesh to alabaster
Am Em F
When you find your servant is your master

And you'll be wrapped around my finger
You'll be wrapped around my finger

[Intro riff again to fade]
