

# The Pretty Reckless - Absolution

Tom: **E**

**Dbm**  
Jump into the sun  
**B**  
Dear boy what are you running from?  
**E** **Ab**  
Everyone has got to be saved  
**Dbm**  
I have heard a voice  
**B**  
If it came down to make a choice  
**E** **Ab**  
I would be the one who's replaced  
  
**Dbm** **B**  
Time keeps rolling on, I need my  
Time keeps rolling on, I need my absolution  
  
Run boy, be a man  
With legs too weak to make a stand  
We're all crucified in the end

Can you hear a voice  
Decipher it through all this noise?  
You'll be left with nothing again

Time keeps rolling on, I need my  
Time keeps rolling on, I need my absolution  
Time keeps rolling on, I need my absolution  
Time keeps rolling on, I need my absolution

Jump into the sun  
Dear boy what are you running from?  
The answer you will find in your grave

Time keeps rolling on, I need my  
But time keeps rolling on, I need my absolution  
Time keeps rolling on, I need my absolution  
Time keeps rolling on, I need my absolution

Boys on the outside of heaven  
Outside of heaven but I could be wrong  
Boys on the outside of heaven  
Outside of heaven but I could be wrong

## Acordes
