

# The Pretty Reckless - Everybody Wants Something From Me

Tom: C

Take a piece of my life  
Take a piece of my soul  
Take a piece of my face  
So I can never grow old

And take a piece of my world  
Take a piece of my heart  
Take a piece of my brain  
So I can never be smart

Everybody wants to see me down  
With my body on the dirty ground  
Everybody wants

I want you to abuse me, use me  
Shut up and do me  
Cause everybody wants something from me  
Grab me, stab me  
Go on and have me  
Cause everybody wants something from me  
Everybody wants something from me

Take a drink of my drink  
Take a drag on my drag  
Take a shot at the good  
And take a pill for the bad

Take your momma's advice  
So you can do what is right  
Take a knife to the bed  
Take a gun to the fight

Everybody wants to see me down  
Everybody wants

I want you to abuse me, use me  
Shut up and do me  
Cause everybody wants something from me  
Grab me, stab me  
Go on and have me  
Cause everybody wants something from me  
Everybody wants something from me  
Break me, take me  
C'mon and make me  
Cause everybody wants

abuse me, use me  
Shut up and do me  
Cause everybody wants something from me  
Grab me, stab me  
Go on and have me  
Cause everybody wants something from me  
Yeah! Everybody wants something from me
