

The Pretty Reckless - Going Down

Tom: Gb
Intro: Eb

Verso 1:

Hey there, Father

I don't wanna bother you

But I've got a sin to confess
Eb
I'm just 16 if you know what I mean

Do you mind if I take off my dress?
F
Don't know where to start

Let me get to the good parts

Might wanna cross up your legs
Eb
I've got envy, I've got greed, anything that you need

And I'm not above having to beg
B Gb Bbm Ebm
There was this boy who tore my heart in two
B Gb Bb Eb
I had to lay him eight feet underground

Refrão:

Eb Db Ab B
And what I need is someone to save me
Eb Db B Eb

Verso 2:
Well, hey there, Father
There is just one other thing
I have a simple request
I hear you know God could you give him a nod in my direction
I would be in your debt

Perhaps there is something that we could work out
I noticed your breathing is starting to change
We could go in the back behind all these stacks of bibles
And get out of this cage

There was this boy who tore my heart in two
I had to lay him eight feet underground

Abm
I didn't wanna do it, Father

But I caught him with another woman in the bed I made him

So I put him in a grave
Abm
And now there's no one left around to get me off

When I want it to drag

Abm
The next day on the television they identified him

By the circumcision that I made and now I'm on the run

But wait, why did I have to go and kill him

When he was the best I'd ever had

I'm goin' down
All the way down
