Parte 1:

If he loves you and you believe,
chicka chicka drip drop on you knees
if he loves when your dead and gone,
kissy kissy killer kitty play along
but as for all inside your wounded soul,
He never ever gonna let you go,
he's never ever gonna let you go,
he's never ever gonna let you go,

Refrão:

If he loves you
he loves you not
be the one to leave him baby don't get caught
if he loves you
set your heart on fire
hate to be the one to tell you he's a liar
if he loves you
he loves you not

(Intro)

Parte 2:

so call him closer be a doll
he gives you just a taste but you want it all
but if you stumble before you fall

take a little taste or you'll lose it all

Refrão:

If he loves you
he loves you not
be the one to leave him baby don't get caught
if he loves you
set your heart on fire
hate to be the one to tell you he's a liar
if he loves you
oh yeah if he's loves you
oooooh

Ponte:

bet your wishin for the day
wishin and wish it all away
bet your wishin for the day

Refrão:

Yeah he loves you but he loves you not
Em (beat)
be the one to leave him baby don't get caught
cause if he loves you, and set you heart on fire
hate to be the one to tell you he's a liar
if he loves you
then loves you not
be the one to leave him baby don't get caught
cause if he loves you
ohhh yeah if he loves you
he loves you not
