Everyday I wake up, everyday I wake up alone
C Eb C Eb
Everyday I wake up, everyday I wake up alone

C
Let me open up the discussion with
?I'm not impressed with any mother fucking word I say?
C
See I lied that cried when he came inside
And now I'm burning a highway to hades
C
SHUT THE FUCK UP
B
When I'm trying to think
Bb Ab
I gotta to keep my concentration, give me one more drink
Gb
And then I'll try and remember
G Gb
all the advice that my good book told me
And all the lost souls say

C Eb Bb F
Everyday I wake up, everyday I wake up alone
C Eb Bb F
(Kill me just kill me) Oh, get me out of the sun
C Eb Bb F
Everyday I wake up, everyday I wake up alone
C Eb Bb F
(Kill me just kill Me) someone get me out of the sun

C
Drugs, bars, backseats of cars
C
Blowing boys what a boring life I've led so far
C
Just a prime thirteen when I rode his machine
Try to keep my body dirty and my eyes closed and clean
C B

So with a wink and a smile and a dial of meth
Bb Ab
I took his hand and we walked through the shadow of death
Gb
And then I tried to remember
G Gb
all the advice that my teacher told me
And all the lost souls say?

C Eb Bb F
Everyday I wake up, everyday I wake up alone
C Eb Bb F
(Kill me just kill me) Oh, get me out of the sun
C Eb Bb F
Everyday I wake up, everyday I wake up alone
C Eb Bb F
(Kill me just kill Me) and get me out of the sun
C Eb Bb F
Someone get me out of the sun
C Eb Bb F G (alternand G e Ab)
Someone get me out of the sun
C
Deep depper depper inside pull the wool nice and tight
So that it covers your eyes...
Can't find a god a Love Jesus Father
I dont even care that much
So why do I even bother??
Let me just end how I was
Gonna begin
Dont waste your time waiting cus I'm going back in
Now if i could just remember all the advices
that my mother told me
And all the...
and all the lost souls say..

C Eb Bb F
Everyday I wake up, everyday I wake up alone
