

The Red Quarks - Goodbye My Magic Moon

tom:

D

Intro: D Bm

[Primeira Parte]

D
We were far apart
Bm
But your aura bewitched my heart
D
I turned myself into a spaceship, to fly
Bm
Hoping to orbit a sweet passion soon

[Segunda Parte]

Dm Am
I couldn't bear to wait until tomorrow
Dm
I hadn't seen this side of you before
Am
You are a magnet that lights up my dark nights

[Terceira Parte]

D
Landing my hands on your bright surface
Bm
I could feel a love filling the void around the stars
D
On sad times I found your tenderness
Bm
In the happy ones the pleasure of the night
Pleasures of the night

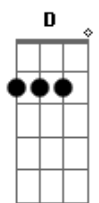

[Quarta Parte]

Dm Am
Ah!!! Life had given us this precious script
Dm
We travelled through the wonders of the nights
Am
And we felt the Sunny warmth flooding dawns

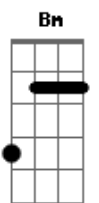

[Refrão]

C Am
And then we spent our lives, many, many years floating
C Am
And then we spent our time and lives, many, many years

Floating

[Quinta Parte]

D
And when we went to bed that night
Bm
We had no way of Knowing what would happen next
D
Started with once upon a time

Bm
But this time without a happy end

[Sexta Parte]

Dm Am
Ah!!! Life had given us this precious script
Dm
We travelled through the wonders of the nights
Am
And we felt the Sunny warmth flooding dawns

[Refrão]

C Am
And then we spent our lives, many, many years floating
C Am
And then we spent our time and lives, many, many years

Floating

[Sétima Parte]

C
No more hope!
Am
Goodbye tomorrow!
C Am
I missed my last moonrise, and I was sorrow

[Final]

F
I made my last flight
G
I took you in my arms
Am
Oh! God! How much pain!
F
I gave you to the stars
G Am
Because you are pure
