

# The Red Quarks - How Grateful I Am

tom:

**Cm**  
[Primeira Parte]

**Cm** For every smile you have your reasons **Gm**  
**Cm** Sometimes I can't see them all well **Gm**  
**Fm** But when you smile my world gets better than before **Gm**  
**Fm** And so, I find the strength to live **Gm**

**Cm** And when I wake up in the morning **Gm**  
**Cm** Anguish always takes my soul **Gm**  
**Fm** But when your body is lying here by my side **Gm**  
**Fm** I can stand up and make a better day

[Refrão]

**Cm** For every little movement of your body **Gm**  
**Gm** Feelings explode inside my mind

**Cm** Oh! Baby how you make me feel so good **Gm**  
And when you touch me, I lose my control **Gm**  
My love how grateful I am, because you came into my life **Gm**  
Oh! How grateful I am to be here **Gm**  
And getting all your love **Gm**
