You shine like a star
You know who you are

You're standing at my door

Until the stars lost the war

So Friday night, holy ghost
Bb

Take me to your level

Show me the one I need the most
I need the most

I wish I knew you when I was young

We could've got so high

Now we're here it's been so long

Two strangers in the bright lights

Oh I hope you don't mind

Bb7 Eb Gm
We can share my mood

Two strangers in the bright lights

I wish I knew you

I wish I knew you

Oh I wish I knew you when I was young

Truth, it's all that you need
You bury that seed

It's everything beautiful

That sound comes from the underground

It's all inside you now

It's everything beautiful

But what are you running from?
