

The Rolling Stones - Black Limousine

Tom: **G**

(intro) **C G D C G D**

(verso)

We used to ride, baby **C**
 Ride around in limousines **G**
 We looked so fine, baby **C**
 You in white and me in green **G**
 Drinking and dancing **C**
 All inside a crazy dream **G**

D
 Well now look at your face now baby
C Look at you and look at me **G D**

(verso)

I get so scared
 Just to see you on the street
 They're living dead
 You're all the same, you never speak
 You're wrecked out now
 Washed up high up on the beach
 Well now look at your face now baby
 Look at you and look at me

(instrumental) **C G C G D C G D C G C G D C**

Acordes
