

The Rolling Stones - Connection

Tom: C

Connection, I just can't make no connection.

But all I want to do is to get back to you.

Everything is going in the wrong direction.

The doctor wants to give me more injections.

Giving me shots for a thousand rare infections

And I don't know if he'll let me go

Connection, I just can't make no connection.

But all I want to do is to get back to you.

Connection, I just can't make it, connection

But all I want to do is to get back to you.

My bags they get a very close inspection.

I wonder why it is that they suspect me

They're dying to add me to their collections

And I don't know if they'll let me go

Connection, I just can't make no connection.

But all I want to do is to get back to you.

Connection, I just can't make it, connection

But all I want to do is to get back to you.
