

The Rolling Stones - Connection

Tom: C

Connection, I just can't make no connection.
But all I want to do is to get back to you.

Everything is going in the wrong direction.
The doctor wants to give me more injections.
Giving me shots for a thousand rare infections
And I don't know if he'll let me go

Connection, I just can't make no connection.
But all I want to do is to get back to you.

Connection, I just can't make it, connection
But all I want to do is to get back to you.

My bags they get a very close inspection.
I wonder why it is that they suspect me
They're dying to add me to their collections
And I don't know if they'll let me go

Connection, I just can't make no connection.
But all I want to do is to get back to you.

Connection, I just can't make it, connection
But all I want to do is to get back to you.
